CURRICULUM VITAE

Suleimenova Zauresh Rayganievna
Senior lecturer of higher mathematics department of the Mechanics and Mathematics faculty, L.N.Gumilyov National Eurasian University.

Contact information:
e-mail: zr-s2012@yandex.ru

Education:
Karaganda State University it. E.A.Buketov, Faculty of Mathematics.

Professional experience:
Since 2005 to present – senior lecturer, assistant professor of higher mathematics department of the Mechanics and Mathematics faculty the National Eurasian University it L.N.Gumilyov.
1993-2005 yy. – the teacher, the senior teacher, and the senior lecturer of department of mathematics and methods of modelling the Karaganda State University it. E.A.Buketov;
1987-1993 yy. - the engineer in Regional management of statistics of Karaganda,
1986-1987 yy. - the teacher Russian secondary school Aral city of the Kyzyl-Orda area.

Certificates of authorship:
04.03.2021-20.03.2021 - Institute for Advanced Studies "Digital tools for 21st century Education", Nur-Sultan city. ДОТ Training Course for Improving Lecturers' Skills. (Certificate 72 h. «... has successfully completed 72-hours Advanced Training Program»).
04.04.2018 -14.04. 2018 - Astana city., Institute for Advanced Studies of the ENU named after L.N. Gumilyov. "Modern information and communication technologies". (Certificate VIII International School of Science 74 h).

Scientific degree:
Candidate of physics and mathematics sciences, specialty 01.01.01 – mathematical analysis

Scientific interests:
The theory of functions of a real variable, Mathematical modeling, Theory of Probability and Mathematical Statistics

Delivered courses:
1. Higher mathematics
2. Math 1, Math 2
3. Mathematics in economics
4. Mathematical analysis
5. Econometrics
6. Economic and mathematical modeling
7. Selected chapters of mathematics
8. Probability theory and mathematical statistics
9. Additional chapters of higher mathematics
