

Shmitov Nurbol Beibitovich
Senior lecturer

Contact information:

nurbol-970817@mail.ru

Tel: 8(776)9162084

Education:

Master of Science, 2022

Specialty «Automation and control»

Eurasian National university, Kazakhstan (2020-2022)

Bachelor of Information Technology, 2019

Specialty "Automation and control"

Eurasian National University L.N. Gumilyov, Astana

Scientific interests: Modern control theory, microcontrollers, information technology, machine learning

Research Grants:

Delivered courses: Optimal and adaptive control systems (B), Information support of control systems (B), Programming of controllers (B), Electrical engineering (M)

Publications (selected):

1. Арнайы технологиялық объекті логикалық басқару жүйесін құру әдістемесін әзірлеу. // Интернаука: электрон. науч. журн. 2021. № 18(194).

Professional experience:

Total work experience - 5 years,
including the industry experience
– 4 years

Since 09.2022 – Senior Lecturer
of the Department of System
analysis and Control of Gumilyov
ENU

02-11.2020 ж - «Ecoton +» AO
electronic engineer

02-11.2020 ж - «Astron Group»
TOO specialist of light-current
system

07-12.2019 ж. – Nursai Energy
LLP service engineer

2020-2022 master's student of
Eurasian National university

01-03.2017 -
«Kazpromavtomatika» LLP field
engineer

05-08.2016 -
«ZhaykTeploenergo» LLP field
engineer
